Committee for Persons with Disabilities (CFPWD) Update

Ms. Melanie Gomez informed the RCAT committee the September CFPWD meeting had a presentation from the City of Corpus Christi Attorney's office letting the committee know what their role is as a member of the advisory committee. She stated there is a vacancy on the committee and the application can be found online. Just go to the city website and find the City Secretary page under "Government" and you'll see Boards, Commissions & Committees.

The committee also had a presentation from the City of Corpus Christi Neighborhood Services about the ADA activity report that recaps ADA issues, calls and complaints. Neighborhood Services provides resources and contact information

for those who are disabled in building a ramp. They want to get information out to the community there is a program to assist persons with disabilities and the elderly building ramps, and there is a program associated with this service to have ramps built to code with the building fee waived.

The Corpus Christi parking control reported there were 158 violations for disabled parking, 10 for blocking the architect and 26 for blocking the sidewalks.

City launched a new customer call center 311 for information, services or report issues for city residents. The 311 can direct your issue to the correct department.

Ms. Gomez shared information about the social media Facebook page that has information that is relative to the disabled community.

She reported that the Driscoll Children's Hospital donation drive ended today, September 15th. The CCRTA had many donations and hopefully everyone else did too. The items collected will be delivered to the hospital tomorrow.

RCAT Liaison's Report: Ms. Sharon Montez presented the following information to RCAT Members:

Ms. Montez informed the committee the CCRTA received a Certificate of Appreciation Awarded from the 176th Medical Brigade and Nueces County for Participation and Service to the Community of Nueces County for Operation Health and Wellness. CCRTA provided transportation to the events in Banquete, Bishop, West Oso Junior High School and Mission of Mercy in Corpus Christi.

Ms. Montez informed the committee the CCRTA is working with Dallas Area Rapid Transit for the new GoPass app. The app will go live on September 28th and the public will have access to the app on October 3rd. The CCRTA will have significant outreach to our riders at the stations to show them how to use the app and post information on all our social media outlets and the website. The app can be utilized for trip planning, bus arrival information, rider alerts and to view the system map on the app. Ms. Montez went over the different stages of the pass, purchased but not activated, recently activated, active pass and expired pass.

Ms. Montez updated the committee on the Staples Street Center progress after the fire on the 2nd floor. The RCAT Committee is having a virtual meeting because the

Board Room and several offices are located on the second floor in the construction zone.

Ms. Montez informed the committee that ridership is up 31%. CCRTA had an uptick in ridership especially at TAMUCC. The CCRTA had a one-day total of 10,000+ passenger trips. We are always looking to hire bus drivers: we hired 7 new bus drivers and 4 are in training. We also hired an accounts payable specialist and a network systems specialist.

CCRTA installed a new bus stop shelter at the new Carroll High School on Saratoga at Kostoryz. We had a ribbon cutting which was well attended by the students, the band drumline, the CCISD superintendent and board members. CCRTA also participated in outreach at Del Mar College registration rallies, TAMUCC Community Fair and the TAMUCC Island Harbor group presentation. Ms. Montez presented the events attended by the CCRTA board members and CCRTA management and personnel.

Ms. Montez reviewed the Key Performance Metrics for Fixed Route and Paratransit for July 2022, stating that our ridership is slowly increasing with Passenger Trips up 19.7%, Revenue Service Hours down 1.1% and Revenue Service Miles up 1.4% over July 2021, but still down 50.2% system-wide to pre-covid ridership. B-Line service performance was presented, still down 26% compared to pre-covid but up over 2021 by 22%. The current construction projects impacting fixed route services were shared with the committee. Ms. Montez reminded the committee that if any customers are impacted by construction closing their stops, they can apply for B-Line.
