## **9.0 REFERENCES**

The CCRTA requires that Bidders supply a list of pertinent references using the enclosed References Form (Attachment E) in the Certifications section of this IFB.

## **10.0 EVALUATION FACTORS**

- 10.1 The CCRTA will award one contract based upon the lowest responsible, and responsive bid, price and other factors considered.
- 10.2 In determining the “lowest responsible” bid, the CCRTA may consider, in addition to price, other factors such as compliance with the bid documents, delivery requirements, costs of maintenance and operations, training requirements, warranties, availability of repairs or other services, the financial or other qualifications and abilities of the Bidder, past performance of the Bidder, other factors contributing to the overall costs, both direct and indirect, related to an item, and compliance with the CCRTA’s Affirmative Action policies and goals. A record of poor performance or nonperformance on prior work may disqualify a Bidder.
- 10.3 In the event identical bids are submitted which are determined by the CCRTA to be the lowest responsible bids, if only one of such Bidders is a resident of the CCRTA, the contract must be awarded to that Bidder. Otherwise, the successful Bidder shall be selected by the casting of lots as provided in Section 271.901 of the Local Government Code.
- 10.4 For contracts not involving federal funds, in the event a bid is submitted by a “Nonresident Bidder” as defined under Chapter 2252 of the Texas Government Code, additional evaluation factors may apply if in the home state of the nonresident Bidder a preference exists in favor of local Bidders. The nonresident Bidder will be required to underbid any Texas Bidder for this contract by the same amount that a Texas Bidder would need to underbid the nonresident Bidder to be awarded a contract in the nonresident Bidder’s home state. Bidders may contact the CCRTA or the Texas General Services Commission for information concerning state requirements.

## **11.0 RESERVATION OF RIGHTS**

The CCRTA expressly reserves the right to:

- 11.1 Reject or cancel any or all bids;
- 11.2 Waive any defect, irregularity or informality in any bid or bidding procedure;
- 11.3 Waive as an informality, minor deviations from specifications at a lower price than other bids meeting all aspects of the specifications if it is determined that total cost is lower, and the overall function is improved or not impaired;
- 11.4 Extend the bid opening time and date;
- 11.5 Reissue a bid invitation;

11.6 Consider and accept an alternate bid as provided herein when most advantageous to the CCRTA; and

11.7 Procure any item or services by other means.

## **12.0 ACCEPTANCE**

Acceptance of a Bidder's offer in some instances will be in the form of purchase orders issued by the CCRTA. Otherwise, acceptance of a Bidder's offer will be by acceptance letters issued by the CCRTA. Subsequent Purchase Orders may be issued as appropriate. Unless the Bidder specifies otherwise in the bid, the CCRTA may award the contract for any item or group of items shown on the Bid Invitation.

## **13.0 BID PROTESTS**

If a Bidder desires to protest any bidding procedure, the Bidder should present such protest, in writing, to the CCRTA Chief Executive Officer within five (5) business days following the date the board awards the contract. The protest shall state the name and address of the protestor, refer to the project number and description of the solicitation, and contain a statement of the grounds for protest and any supporting documentation. For federally assisted contracts, certain additional bid protest procedures apply and may be found in the Supplemental Conditions contained within the bid documents.

## **14.0 EQUAL OPPORTUNITY**

Bidders are expected to comply with all applicable federal, state, and local laws concerning Equal Opportunity in employment and in the provision of goods and services by the Bidder.

## **15.0 SINGLE BID**

In the event a single bid is received, the CCRTA will, at its option, either conduct a price comparison of the bid and make the award or reject the bid and re-advertise. A price analysis is the process of examining the bid and evaluating a prospective price without evaluating the separate cost elements. Price analysis shall be performed by comparison of the price quotations, with published price lists, or other established or competitive prices. The comparison shall be made to a purchase of similar quantity and involving similar specifications.

## **16.0 SALES TAX EXEMPTION**

The CCRTA qualifies for exemptions of Sales, Excise, and Use Taxes under the Texas Tax Code with political subdivisions of the State of Texas.

## **17.0 FORM 1295 "CERTIFICATE OF INTERESTED PARTIES"**

(Only to be submitted if chosen for award)

Bidders must comply with Government Code Section 2252.908 and submit Form 1295 "Certificate of Interested Parties" upon notification that Bidder has been recommended for award. Form 1295 requires disclosure of "interested parties" with respect to entities that enter contracts with cities. These interested parties include:

(1) persons with a "controlling interest" in the entity, which includes: a. an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock or otherwise that exceeds 10 percent; b. membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or c. service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers; or

(2) a person who acts as an intermediary and who actively participates in facilitating a contract or negotiating the contract with a governmental entity or state agency, including a broker, adviser, attorney or representative of or agent for the business entity who has a controlling interest or intermediary for the business entity.

Form 1295 must be electronically filed with the Texas Ethics Commission at [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm). The form must then be printed, signed, and filed with the CCRTA. For more information, please review the Texas Ethics Commission Rules at <https://www.ethics.state.tx.us/legal/ch46.html>. A Sample Copy of Form 1295 has been provided for reference only.

#### **18.0 NO DIRECT CONTACT WITH THE CCRTA'S BOARD OF DIRECTORS**

Bidders are advised not to contact any CCRTA Board of Director directly in any manner during this bid process. All communications directly with the Board should be reserved for public meetings in which this item is properly posted on the agenda. All communication regarding this IFB must be made through the Procurement Department.

## SCOPE OF WORK

### 1.0 DESCRIPTION

The Corpus Christi Regional Transportation Authority (CCRTA) requires the use of filters for bus engines capable of enduring the rigors of intra-city travel. The specifications are based on original equipment manufacturer (OEM) standards catalog numbers to establish acceptable levels of quality, performance features, and design required. These standards are not intended to prohibit the bidding of other manufacturers' items of equivalent material quality.

Approved equals will be considered, provided they meet the OEM specifications listed below.

Bidders are required to keep in inventory those filters that are ordered more than once per month. The CCRTA cannot rely on companies that function solely as brokers and do not maintain an inventory of required filters to fulfill purchase orders.

- 1.1 The vendor will be required to pay for the outbound freight.
- 1.2 The Bidder will furnish parts which are either permanently labeled or are traceable. (An example would be a filter that needs the part number on the item. - 4.2** The successful Contractor will be required to supply all items from the manufacturer upon which its quote is based. No substitution of manufacturer will be allowed during the term of this firm-fixed price supply Contract.

The Contractor must maintain an inventory of at least 25% of each of the items awarded to it. Emergency delivery service may be required in some instances, and the successful Contractor must be able to respond and meet this need. The successful Contractor will be compensated the actual cost for premium transportation charges when specifically authorized by the CCRTA.
- 4.4** The CCRTA reserves the right to inspect and test the Contractor's parts to ensure they meet OEM specifications. If any parts are rejected, the CCRTA will return them with an explanation at the Contractor's expense and may purchase replacements from other suppliers.

## **STANDARD SUPPLY AGREEMENT TERMS AND CONDITIONS**

### 1. TERM.

The term of this Supply Agreement shall be for the period specified in the Invitation for Bids.

### 2. DESCRIPTION – SALE OF GOODS.

The Contractor shall transfer and deliver to the CCRTA and the CCRTA shall pay for and accept all the CCRTA's requirements during the referenced term of the Agreement for all the items listed and described in the bid documents. Quantities shown are merely estimates and do not obligate the CCRTA to order or accept more than the CCRTA's actual requirements during the period of this Agreement, nor do the estimates limit the CCRTA from ordering less than its actual needs during the period of this Agreement, subject to availability of appropriated funds.

### 3. CONTRACTOR TO PACKAGE GOODS.

The Contractor shall package all goods in accordance with good commercial practice. Each shipping container shall be clearly and permanently marked as follows: (a) the Contractor's name and address; (b) CCRTA's name, address, and Purchase Order (c) Container number and total number of containers, e.g., box 1 of 4 boxes; and (d) the number of the container bearing the packing slip. The Contractor shall bear the cost of packaging unless otherwise provided. Goods shall be suitably packed to secure lowest transportation costs and to conform with the requirements of common carriers and any applicable specifications. The CCRTA's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

### 4. NO SHIPMENTS UNDER RESERVATION.

The Contractor is not authorized to ship the goods under reservation and no tender of a bill of lading shall operate as a tender of goods.

### 5. TITLE AND RISK OF LOSS.

The title and risk of loss of the goods shall not pass to the CCRTA until it receives and takes possession of the goods at the point or points of delivery. The terms of this Agreement are "no arrival, no sale."

### 6. PURCHASE ORDER.

The CCRTA shall exercise its right to specify time, place, and quantity to be delivered in the following manner: Any of the CCRTA's separate departments or divisions may send to the Contractor a Purchase Order signed by an authorized agent of the department or division. The order shall refer to this Supply Contract and shall specify item, quantity, delivery date, shipping instructions and receiving address of the ordering department or

division. The CCRTA shall have the right to inspect the goods at delivery prior to acceptance.

7. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH.

Each installment or lot of goods delivered under this Agreement is dependent on every other installment or lot, and a delivery of non-conforming goods or a default of any nature on one installment or lot will impair the value of the whole Agreement and shall constitute a breach of the Agreement as a whole.

8. NO REPLACING DEFECTIVE TENDER.

Every tender or delivery of goods must fully comply with all provisions of this Agreement as to time of delivery, quality, fitness or use and the like. If a tender is made which does not fully conform, such failure shall constitute a breach of the Agreement, and the Contractor shall not have the right to substitute a conforming tender; provided, however, that if the time for performance is not yet expired, the Contractor may reasonably notify the CCRTA of its intention to cure and may then make a conforming tender within the required time.

9. INVOICES AND PAYMENTS.

The Contractor shall submit invoices, on a monthly basis or as otherwise specified in the Contract documents to [AccountsPayable@ccrta.org](mailto:AccountsPayable@ccrta.org). Invoices sent through the U.S. Mail will also be accepted and shall be addressed to Corpus Christi RTA - Staples Street Center, 602 N. Staples Street, Corpus Christi, TX 78401 to the attention of Accounts Payable. Invoices shall indicate the Purchase Order. Invoices shall be itemized and transportation charges, if any, shall be listed separately. A copy of the bill of lading and the freight waybill when applicable should be attached to the invoice and emailed to [AccountsPayable@ccrta.org](mailto:AccountsPayable@ccrta.org) or mailed to Corpus Christi RTA - Staples Street Center, 602 N. Staples Street, Corpus Christi, TX 78401 to the attention of Accounts Payable. Payment shall not be due until thirty (30) days after the date the above instruments are submitted or delivered, whichever is later. In the event payment has not been made by the due date, the Contractor shall submit a reminder invoice marked "order due." The CCRTA reserves the right to review all of Contractor's invoices after payment and recover any overcharge resulting from such review. Invoices will be paid Net 30.

10. WARRANTY-PRICE.

The price to be paid by the CCRTA shall be that price contained in Contractor's Catalog Pricing plus the specified percentage discount for each part. In the event the Contractor breaches this warranty, parts will be obtained outside of the contract. As an alternative, the CCRTA may cancel this Contract without liability to the Contractor for breach for the Contractor's actual expenses. If the stated price includes the cost of any special tooling or special test equipment fabricated or required by the Contractor for the purpose of filling this order, such special tooling or equipment and any process sheets related thereto shall become the property of the CCRTA.

11. WARRANTY-PRODUCT.

The Contractor shall not limit or exclude any implied warranties and any attempt to do so shall render this Agreement voidable at the option of the CCRTA. The Contractor warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the bid documents, and to the sample(s) furnished by the Contractor, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern. The goods furnished shall be new and of good and merchantable quality in workmanship and materials.

12. WARRANTY-SAFETY.

The Contractor warrants that the product sold to the CCRTA shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, the CCRTA may return the product for correction or replacement at the Contractor's expense. In the event the Contractor fails to make the appropriate correction within a reasonable time, correction may be made by the CCRTA at the Contractor's expense.

13. WARRANTY-INFRINGEMENTS.

The Contractor agrees to ascertain whether goods manufactured in accordance with the specifications will give rise to the rightful claim of any third person by way of infringement or the like. If the Contractor is of the opinion that an infringement or the like will result, it shall notify the CCRTA to this effect in writing within two weeks after signing of this Agreement. If the CCRTA does not receive notice and is subsequently held liable for the infringement or the like, the Contractor shall indemnify the CCRTA for any damages due to such claim. If the Contractor in good faith ascertains that delivery of the goods in accordance with the specifications will result in infringement or the like, this Agreement shall be null and void except that the CCRTA shall pay the Contractor for the reasonable cost of its search as to infringements.

14. ESTIMATED QUANTITIES.

The estimated quantities noted in the Price Schedule are approximate. These quantities are to be used only for the comparison of prices and the award of this Contract and are based on past and projected usage. The Contractor agrees and understands that the actual quantities to be utilized are within the sole and absolute discretion of the CCRTA. Should the actual quantities be greater or lesser than the estimates contained in the Price Schedule, the Contractor agrees that, regardless of the amount of such variance, it will not be the basis for deviating from the quoted unit prices. Further, the Contractor agrees to honor quoted unit prices for the duration of this Agreement.

15. SUBSTITUTE SUPPLIERS.

If the Contractor fails to supply the goods to the CCRTA in the amounts requested or fails to furnish replacement goods for any defective merchandise submitted to the CCRTA within five (5) business days from the date of notice, the CCRTA will have the right to

*purchase from any substitute source the amount of the goods due from the Contractor.*

The CCRTA shall have the right to recover from the Contractor as damages any amount by which the cost of such substituted goods exceeds the contract price which would have been applicable, together with the cost of any incidental expenses reasonably incurred by the CCRTA in making such substituted purchase and the amount of any consequential damages allowable by law. The CCRTA reserves the right to offset such amounts against the price due for any goods subsequently supplied by the Contractor or any other obligations owed to the Contractor.

16. TERMINATION.

The CCRTA shall have the right to terminate for default all or any part of this Agreement if the Contractor breaches any of the terms hereof or if the Contractor becomes insolvent or files any petition in bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the CCRTA may have in law or equity, specifically including, but not limited to, the right to sue for damages or demand specific performance. The CCRTA additionally has the right to terminate this Agreement without cause by delivery to the Contractor of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective.

17. ASSIGNMENT DELEGATION.

No right or interest in this Agreement shall be assigned or any obligation delegated by the Contractor without the written permission of the CCRTA.

18. MODIFICATIONS-WAIVER.

This Agreement can be modified or rescinded only by a writing signed by both of the parties. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

19. INTERPRETATION.

This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used herein, and acceptance of a course of performance rendered under this Agreement shall not be relevant to determine the meaning of this Agreement even though the accepting party has knowledge of the performance and opportunity for objection.

20. APPLICABLE LAW.

This Agreement shall be governed by the Uniform Commercial Code as adopted in the State of Texas and in force on the date of this Agreement.

21. ADVERTISING.

The Contractor shall not advertise or publish, without the CCRTA's prior consent, the fact that it has entered into this Agreement, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local authorities.

22. GRATUITIES.

No gratuities, in the form of entertainment, gifts, or otherwise, shall be offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the CCRTA with a view toward securing a contract or securing favorable treatment with respect to a contract.

23. EQUAL OPPORTUNITY.

The Contractor agrees that during the performance of this Agreement it shall:

- 23.1 Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age, or handicap.
- 23.2 Identify itself as an "Equal Opportunity Employer" in all help wanted advertising or requests.

The Contractor shall be advised of any complaints filed with the CCRTA alleging that the Contractor is not an equal opportunity employer. The CCRTA reserves the right to consider such complaints in determining whether to terminate any portion of this Agreement for which purchase orders or authorities to deliver have not been issued; however, the Contractor is specifically advised that no equal opportunity employment complaint will be the basis for termination of this Agreement for which a purchase order or authority to deliver has been issued.

24. ENFORCEABILITY.

This Agreement shall be enforceable in any state court of competent jurisdiction in Nueces County, Texas.

25. NOTICES.

Notices shall be given to the parties by delivering or mailing such notice to the addresses set forth in the contract documents, or at such other addresses as the parties may designate to each other in writing.

26. LIABILITY INSURANCE COVERAGE.

The Contractor shall always maintain during the term of this Contract at its sole cost and expense each of the following insurance coverages listed below having policy limits not less than the dollar amounts set forth:

Commercial general liability insurance with minimum policy limits of \$1,000,000.

(In the event motor vehicles will be used by the Contractor to perform the services specified) Automobile liability insurance with a combined single limit of \$1,000,000.

Contractual liability insurance covering Contractors' indemnification obligations contained in this Contract.

Each of such insurance policies shall be issued by insurance companies licensed to do business in the State of Texas and rated A- or better by the A. M. Best insurance rating guide. Each such policy shall name the CCRTA as an additional insured, and a certificate of insurance evidencing such coverages shall be furnished to the CCRTA prior to the commencement of work and maintained throughout the term of the Contract. Such insurance policies shall not be cancelled, materially changed, or not renewed, without thirty (30) days' prior written notice to the CCRTA, and the certificate of such insurance coverage shall reflect the foregoing cancellation provision. Copies of the insurance policies shall be promptly furnished to the CCRTA upon its written request.

27. WORKERS' COMPENSATION.

The Contractor shall always maintain during the term of this Contract at its sole cost and expense workers' compensation as required by statute and employer's liability insurance with policy limits of \$500,000 containing a waiver of subrogation endorsement waiving any right of recovery under subrogation or otherwise against the CCRTA.
